71st SILVER TEA

November 2022

8 apprentices from the hotel Le Meridien Munich (Marriott International) helped the German-American Women's Club at the 71st Silver Tea on November 8, 2022 by providing perfect service for about 400 guests, which included Munich prominence from politics, commerce, and cultural life. The goal was to support the German- American student exchange program and various charitable projects.
